<b>INFORMATION ON THE PROPOSED ACTION</b>	
Key action 2 under the Erasmus+ framework	Key Action 2 for School Education.
General description of the project:	Publiczna Szkoła Podstawowa in Zimin is a primary school in the North West of Poland. This year we are going to start Erasmus+ project. Its main theme is Maths. We plan to use this project also to learn about partner countries' culture and tradition. We are looking for schools in other countries to carry out the project.
Main objectives:	To give all participating schools a European dimension, to make all pupils aware that learning Maths is very important and necessary, to develop a foreign language, to emphasize tolerance and cooperation among pupils and people
Main activities:	mobilities, sending and solving mathematical exercises, improving ICT skills, using websites, email, blogging and video conferences
Student age:	10-12
Working language:	English

Partners already involved (if any):	Iceland
Type of wanted partner:	a primary school
Preferred countries:	-
Deadline for joining this group:	25 <sup>th</sup> February 2015
