

Partner/Project search for Erasmus+ Sports: Collaborative Partnerships

On behalf of the football club 'Radnicki' in the city of Nis (South Serbia), we are looking for partners for the current call for proposal within Erasmus+/Sports program on Collaborative Partnerships.

As we are a partner country, we can not be the applicant in the project but we can be one of the partners and if you know anyone in your region who is putting a project proposal together for this call, we would greatly appreciate if you could let us know.

Short info about the Football Club 'RADNICKI' Nis:

website: <http://fkradnickinis.rs/>

Established in 1923 with the support of the city of Nis.

'Fudbalski klub Radnički Niš, or simply Radnički Niš, is a professional football club based in Niš, the third largest city in Serbia, and one of the most famous clubs on the Balkans. The name Radnički means "Labourers" in Serbian and its roots comes from the relationship with the Labour movement that the club had during the first half of the 20th century.

Radnički Niš was one of the most stable clubs in the former Yugoslavia; the team spent a total of 29 seasons in the Yugoslav First League, achieved the 3rd place in 1980 and 1981, and finished in the Top 10 in the Yugoslav First League all-time table.[2] Radnički Niš also made it to the semifinals of the UEFA Cup in 1982.'
